Dedication

MR. BILL ALEXANDER

Each year the members of the yearbook staff select a group or individual who we feel is worthy of the dedication of the yearbook. We feel that we have made a very wise choice this year, even though the selection was difficult to make.

The honoree for this year has worked very close with the faculty and student body. Even though he has been with us for only a short number of years, we sincerely thank and admire him for the accomplishments he has made. Among these are restoring to the student body their break, and helping the seniors find out more about themselves through personality tests. He has also helped to provide job placement for students. And finally he chartered a new organization - the Key Club.

The honoree for the 1972 PANTHER is Mr. Bill Alexander.

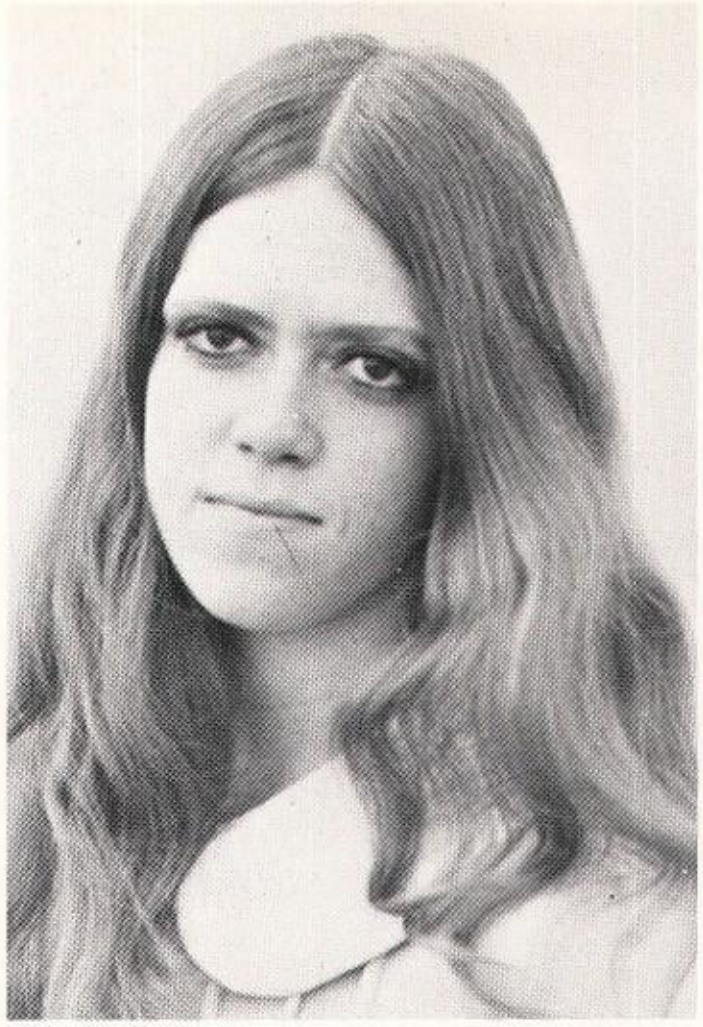
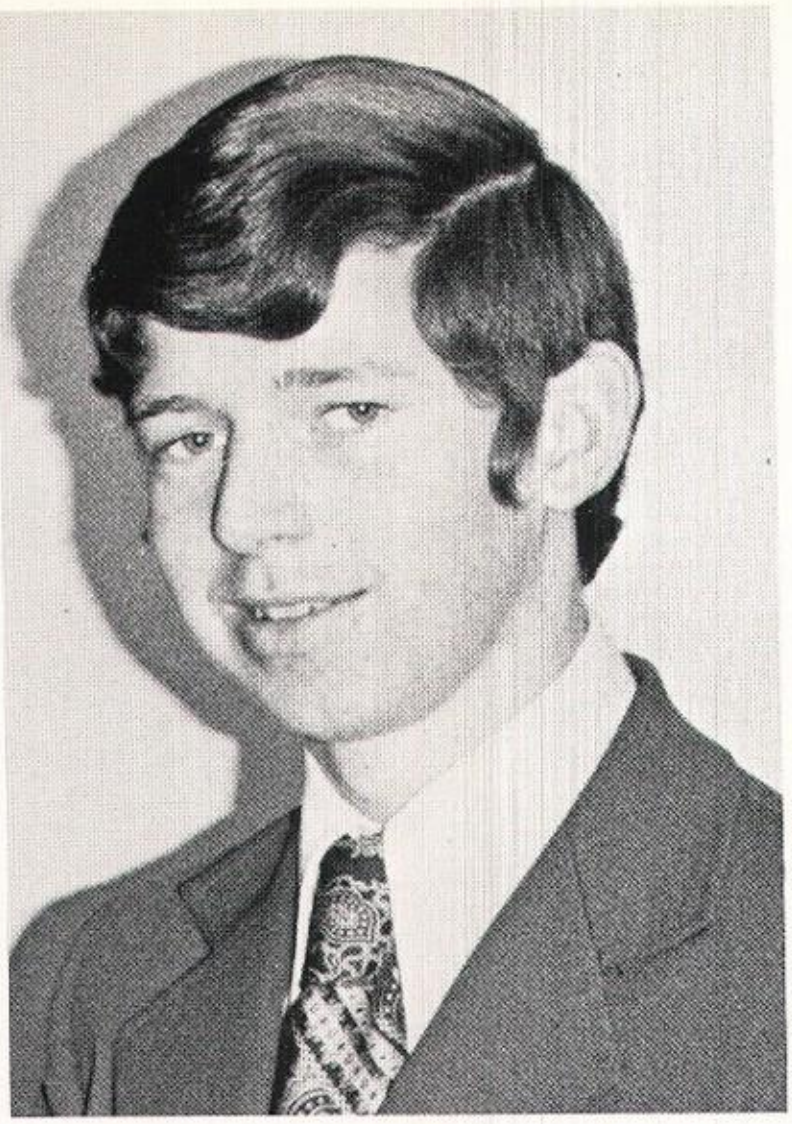
Who's Who



Buzzing around in her blue import,
She never is one to fuss or snort,
She is a whiz and a cutey,
A charming MORRIS is this JUDY.

This girl is Suzie Homemaker from
head to toe,
She's always very neat, prim, and
trim,
But she's always sincere and never
whims, the pianist's name is
SHARON SIMS.

As a friend she is true blue,
This senior girl at our school,
She is a gem that keeps her cool,
All this comes from our REEVES
named JEWELL.

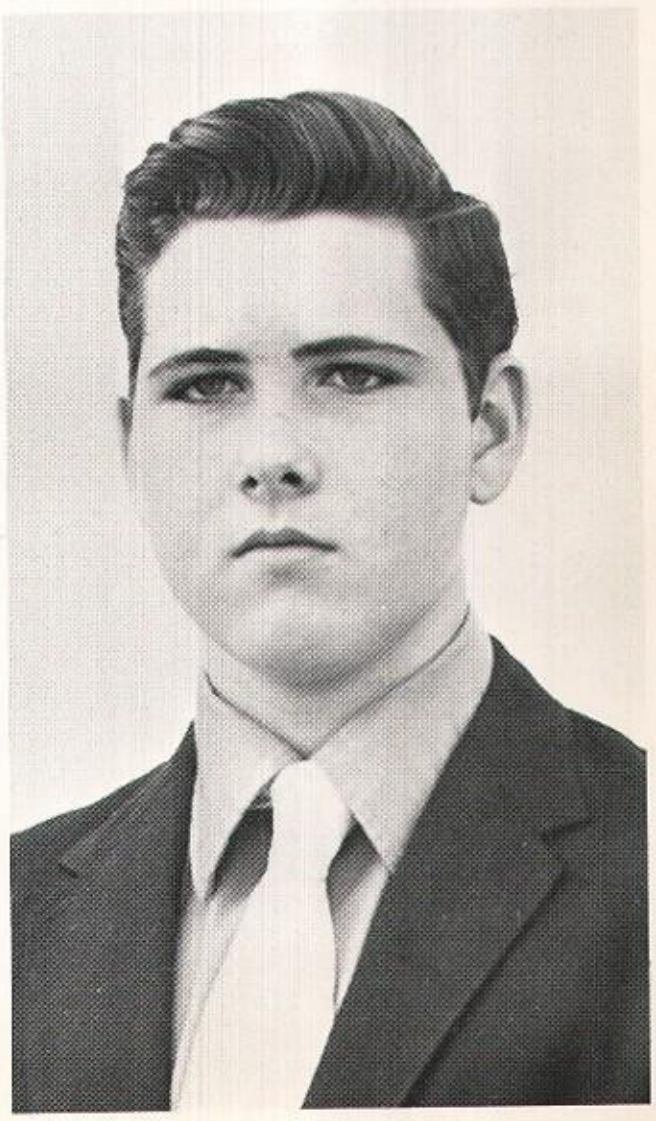


With this boy, it's not
a hum,
He can beat anyone on
the drum.
This boy's so calm he
doesn't hustle,
From the house of
HARRIS,
We give you RUSSELL.

There is an office girl,
Who's as helpful and happy as a
Lark.
She's a scholar but never puts on
a farce.
Her name is BRENDA MORRIS.

Quiet and sincere, this girl is always
eager,
To help a student or a teacher.
But she's always happy and goin',
She's known to all as CATHY OWENS.

This boy is a new addi-
tion to Westwood,
He's never uptight, but
always calm.
His last name is Mc-
KINNEY, his first
name is JOHN.



This girl is an expert on the old
time goodies,
And with her trumpet she gives the
tooties,
Her "Edith Ann" is never tiresome,
Just call her it or MARTHA GIBSON.

This FFA boy can always be seen
around the farm or in the gym,
He's a real hard worker - he's a
mean machine,
And he is known as KERRY DEAN.

This boy is a great athlete
He's always on the run.
But you can always see him peeping
from crannies or nooks,
His name, you wouldn't believe, is
LYNWOOD COOKS.

Congratulations to the seniors of Westwood High School for the year 1972.

I offer to each of you my sincere congratulations and best wishes and also present you with the following challenge.

I challenge you to set your Ideals for life high; remembering always that the higher the ideals of any person, the greater his or her achievements will be and the more meaningful their life will become. With this thought in mind, please read the poem copied here below which was written by Helen Steiner Rice. She has expressed so beautifully this wonderful philosophy of life.

IDEALS ARE LIKE STARS

In this world of casual carelessness it's discouraging to try ... To keep our morals and standards and our Ideals High ... We are ridiculed and laughed at by the smart sophisticate ... Who proclaims in brittle banter that such things are out of date ... But no life is worth the living unless it's built on truth ... And we lay our life's foundation in the golden years of youth ... So allow no one to stop you or hinder you from laying ... A firm and strong foundation made of Faith and Love and Praying ... And remember that Ideals are like Stars Up In The Sky ... You can never really reach them, hanging in the heavens high ... But like the mighty mariner who sailed the storm-tossed sea ... And used The Stars To Chart His Course with skill and certainty ... You too can Chart Your Course In Life with High Ideals and Love ... For High Ideals are like the Stars that light the sky above ... You cannot ever reach them, but Lift Your Heart Up High ... And your Life Will Be As Shinning as The Stars Up In The Sky.

My first year has been most rewarding. It encourages me to look forward to many more satisfying years of the future. May you be as happy in whatever profession you choose as I am.
